1ST SESSION

H. R. 2054

To direct the Secretary of the Army to develop a watershed management plan for the Lake George area of Indiana, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 10, 1993

Mr. VISCLOSKY introduced the following bill; which was referred to the Committee on Public Works and Transportation

A BILL

To direct the Secretary of the Army to develop a watershed management plan for the Lake George area of Indiana, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*
3 That the Secretary of the Army, in cooperation with the
4 Soil Conservation Service of the Department of Agri-
5 culture, shall develop a watershed management plan for
6 the Deep River Basin, Indiana, which includes Deep River,
7 Lake George, Turkey Creek, and other related tributaries
8 in Indiana. The plan developed by the Secretary shall ad-
9 dress specific concerns related to the Deep River Basin
10 area, including sediment flow into Deep River, Turkey

- 1 Creek, and other tributaries; control of sediment quality
- 2 in Lake George; flooding problems; the safety of the Lake
- 3 George Dam; and wetlands management.
